

# SPC-114

Pneumatic Sealless Combination Tool for Steel Strapping

## Easy to operate

The SPC-114 is easy to handle and designed with ergonomics in mind.

## Simple to maintain

It contains minimal wear parts that are easily accessible.

## Versatile

Ideal for a wide range of applications, including lumber, panel, steel and other products.

## Reliable

The SPC-114 features the unique four-key sealless joint with reverse lock to prevent joint separation.

---
