NOTES:

1. When ordering parts, please show tool model, part number and name.
2. All recommended spare parts are underlined and should be stocked.
3. Standard hardware parts may be obtained from local hardware suppliers.

WARNING

Inspect all parts daily and replace them if they are worn or broken. Failure to do this can affect a product's operation and could result in serious personal injury.

MAINTENANCE

1. Inspect tool daily for worn or broken parts and replace if necessary.
2. Clean tool and apply light machine oil to all moving parts - weekly.
